The Radio Room features a 2,475 sq ft of meeting room space and includes a stage and bar area. It can be configured in many styles — 60 people for a banquet, performance style with small tables, theatre style (80 people) or workshop style. It has a relaxed atmosphere and has impeccable acoustics.

The East or West Gallery breakout space is rectangular shaped and down a short hall from the Radio Room. Each Gallery can accommodate 15-20 for meetings and 35 for reception. The East Gallery is larger and has a sink and refrigerator available for use.
